Information & Coordinated Entry

Assistance begins with a Coordinated Entry Intake, a service utilized by Homeless Service Providers throughout the County that provides a standardized assessment to ensure a consistent, streamlined experience for those seeking services. Clients complete a comprehensive needs assessment, identify barriers to employment or housing, and develop an immediate action plan. Those visiting 5CHC's offices are provided access to computer, internet, phone charging, mailing address, food, and hygiene supplies.

Outreach Efforts:

5CHC staff conducts outreach to ensure the health and safety of individuals and families living in local encampments. 5CHC works with law enforcement, County Public Health, and others to conduct health checks and provide food, hygiene, and access to case management. This month, we targeted Grover Beach, Oceano, and Pismo Beach.

Immediate Needs:

Assists homeless and low-income families and individuals in the Five Cities area with limited funds to address their immediate needs, and move them to self-sufficiency. Helping families overcome a one-time barrier can enable them to move toward self-sufficiency, stability, and economic improvement. Examples of assistance include gasoline, clothing, employment readiness, detox/sober living, basic needs, etc.

Temporary Emergency Shelter Gets Approval

In 2021 5CHC, in partnership with the City of Grover Beach and the County of San Luis Obispo, announced a new Temporary Emergency Shelter program in Grover Beach. The project, which will feature 20 individual cabin structures for local individuals experiencing homelessness as they transition into permanent housing, was approved by the Board of Supervisors in a unanimous vote. We're excited to meet the needs of our community in new ways in 2022!
