

5Cities Homeless Coalition July 2022 Program Report

Information & Coordinated Entry

Assistance begins with a Coordinated Entry Intake, a service utilized by Homeless Service Providers throughout the County that provides a standardized assessment to ensure a consistent, streamlined experience for those seeking services. Clients complete a comprehensive needs assessment, identify barriers to employment or housing, and develop an immediate action plan. Those visiting 5CHC's offices are provided access to computer, internet, phone charging, mailing address, food, and hygiene supplies.
