Help Us Prepare Our Upcoming 2018-19 Winter Warming Center

Sheltering the poorest of the poor on the ugliest, rainiest, coldest nights between November and April

Through the "Adopt-A-Cot" Program, your gift helps to ensure we have the cots, facility, resources and case management to provide a life-saving, life-changing program.

We don't know what weather the winter will bring, but with your help we can be prepared.

"Adopt-A-Cot"

Our goal for the upcoming winter is to have 40 cots adopted by community members and local businesses for at least 10 nights.

With the help of donors like you, our housing program helped 8 of last year's Winter Warming Center guests move into stable housing. This is in addition to the other 100+ families the Coalition assisted in our housing program. Visit our website for information on the outcomes of our life-changing programs.
