## Who We Are!

**Shower The People** is an interfaith and community based mobile shower program which offers showers to the homeless and critically low income people around San Luis Obispo County. Our *hope* is that by providing our homeless access to a warm shower, we will enhance their opportunities to more comfortably integrate into the community.

### **Want to help?**

*Contributions are appreciated-small or large-to help cover ongoing costs of operations.*

*Every dollar donated goes to maintaining the program.*

*The program operates and functions solely through volunteers like you.*

### **Join our team of volunteers!**

#### **Our shower Ambassadors:**

- \* Welcome our guests
- \* Help keep the unit and site clean
- \* Complete onsite paperwork
- \* Hand our guests two towels, a pair of new socks, and new underwear

## Our Products & Services

### **Three-Unit Mobile Shower**

The three-unit mobile shower allows us the flexibility of going to sites where our homeless community gather to eat or to receive services. It offers easy access, a safe environment, and reliable schedules. We use volunteers to staff our sites along with an onsite supervisor.

### **What We Offer**

A warm shower is a blessing. Our mobile shower gives those most in need, the opportunity to clean themselves with privacy and dignity on a regular basis. The mobile unit provides three private bathrooms each equipped with a sink, toilet, and full shower, dispensers of biodegradable soap and shampoo. Freshly laundered towels are provided.

**We recycle and use environmentally friendly products.**
